

2011 A.C.M.A. Artists Awards

American Christian Music Association

Hello dear friends, fellow members and peers,

We are glad to announce our Nominees for the A.C.M.A 2011 awards this year. We will be voting today on Artists in consideration to their status with The A.C.M.A. (an Artist can only be considered for an Award if his/her membership fees are paid up at the time of the Nomination) We are happy to say that all of our Artists fit that particular criteria.

We will be listening to all of the Nominees without any kind of bias or favoritism. Please make your choices based upon your best knowledge and judgment of musical composition, performance, delivery, showmanship and spiritual fortitude. We have some mp3s of these Artists on our official web-site, and we ask that you go there to hear the music being put out by these Nominees.

As usual please limit your vote to one Choice in each category. And again if you would like to listen to each of the nominee's music selected for nomination you may check out our official web-site www.theacma.org or perhaps the A.C.M.A. Social Network at www.theacma.ning.com it may help you in your decision. May God bless and prosper all that you do for His glory!
